BEHIND THE LENS

Meet Tom

I'm Tom, founder of Tom Groves Weddings. Based in the North West, I've spent the past decade photographing hundreds of weddings across Cheshire, Manchester and beyond, from elegant manor houses to relaxed countryside celebrations.

Whether I'm behind the camera myself or one of my trusted team photographers is capturing your day, every image is edited by me to the same warm, timeless style my couples love.

What began as a passion has become one of the region's most sought-after wedding photography teams, built on connection, creativity and a genuine love for what I do.

I believe your photos should feel effortless, emotional and truly unforgettable. Timeless today, and even more meaningful in the years to come.

WEDDING PHOTOGRAPHY

MY APPROACH ON YOUR DAY

My priority is that you're fully present with your guests. I'm not the photographer who takes you away from the action for ages. I want you chatting, hugging, enjoying canapés and cocktail hour.

Family groups are organised about 40 minutes after the ceremony so you've had time to mingle, and couple portraits take just 10 to 15 minutes while guests are being called to dine. It's relaxed, efficient and real, so you spend more time celebrating, and still get timeless, natural photographs.

What's Always Included

- Pre-wedding consultation (video or call)
- Timeline & planning support
- Fully insured coverage & professional contract
- Dual-card cameras & on-site backups
- Next-day sneak peeks
- Private online gallery to view, share & download
- Every image edited by me in my signature style
- UK-wide travel included

From your first enquiry to your final gallery, everything is designed to be effortless and enjoyable, and you simply live the day. I'll capture it beautifully.

Tom vs Team Photographer What's the Difference?

In short, it's the same experience, just a different person behind the camera.

Every image, no matter who captures it, is hand edited by me, ensuring the exact same tones, storytelling and emotion you see across my galleries.

My team photographers use identical cameras, lenses and lighting setups, and follow my structure and direction on the day.

Many couples choose the team option even when I'm available. It lets you invest a little more in video, the photobooth or other costs without sacrificing the standard you've seen in my work.

Love Notes from Our Couples

"Tom's the bomb! From the very beginning, he was excellent with communication - always prompt, professional and genuinely enthusiastic about capturing our day... The pictures are absolutely stunning... We feel so lucky to have these gorgeous memories to look back on. We can't recommend Tom enough!"

-Rebecca + Alex, 14 April 2025

"Tom and his team were absolutely incredible from start to finish. They were so easy to work with, nothing was too much trouble. We felt comfortable with them straight away.

Tom was on hand to answer every question and explain how the team would work on the day, so we felt confident and relaxed from the start. The team on the day were a joy to be around; we laughed all day and felt so comfortable the whole time.

The photos are beyond our wildest expectations! Sneak peeks arrived within a day or two, and the full gallery followed soon after. 100 % value for money, we couldn't have asked for anything more. So, so glad we booked Tom and his team."

-Jenny + Harry, 22 August 2025

"We couldn't have chosen a better photographer! Light, bright and natural - no heavy air-brushing. We're absolutely overjoyed with our photos... One relative said they were the best wedding photos they'd ever seen. We booked the full package (video, photobooth, audio guestbook) - worth every penny. Priceless!"

YOUR STORY. YOUR PEOPLE. BEAUTIFULLY TOLD.

READY TO BOOK YOUR DATE?

1. Quick WhatsApp video call

Once you've looked through the packages, send me a message on WhatsApp (+44 7532 738 371) or through the contact form at tomgroveswedding s.co.uk.

I'll reply personally, usually the same day, to arrange a relaxed video call so you can put a face to the name.

During the call, I'll run through what a normal wedding day looks like, the different package options, and answer any questions you have.

2. Secure your date

If you'd like to go ahead, I'll just need your full names, wedding date, venue and chosen package.

Once I have those details, I'll send over:
- A deposit invoice
- A secure payment link
- Your booking terms to read through

A 35% deposit secures your date in my diary.
You can pay easily by card, Apple Pay or bank transfer. Whatever is easiest for you.

Once payment's received, your date is officially confirmed.

3. Before the big day

After your deposit's paid, you can reach out any time with questions or ideas. About 4-6 weeks before the wedding, I'll be in touch again to arrange a meeting at your venue or a quick video call to go through the final timings, group shots and any last-minute details.

The remaining payments are split to keep things simple:
- 30% due four weeks before the wedding
- Final 35% once you've received your sneak peeks after the day

4. Then it's over to me

From there, I take care of everything: planning, backups, travel and all the storytelling that brings it to life. You just enjoy your day, and I'll capture it beautifully.
